

Chehalis Basin Watershed Management Plan

Table of Contents for the Supplement Section

Supplement Section I. Introduction **I-1**

Supplement Section II. Context **II-1**

A. Context – Why does this plan exist?	II-1
B. Mission, goals and objectives	II-5
C. Scope of Plan: Water Quantity, Water Quality, Habitat and Instream Flows	II-9
Issues: Source, Response, Reference	II-12
Issues from Citizens at Local Study Area Meetings.....	II-12
Water Quantity Issues.....	II-17
Flooding Issues	II-20
Water Quality Issues	II-20
Land Use Issues	II-22
Habitat Issues	II-23
Instream Flow Issues	II-23
Governance Issues	II-24
Quinault Indian Nation Issues	II-25
Confederated Tribes of the Chehalis Issues	II-27
Boisfort Valley Water Company Issues	II-28
Grays Harbor County Water District #2 Issues	II-29
D. Approach.....	II-31
E. Legal and regulatory framework.....	II-37

Supplement Section III. Information Base **III-1**

A. Basin Description	III-1
B. Chehalis Basin: Glimpses of the Past	III-9
C. Overview of Technical Information Base	III-23
C1. Habitat	III-25
C2. Subbasin Evaluation and Prioritization	III-31
C3. Summary of Chehalis Basin Level 1 Assessment	III-35
C4. Water Quantity Evaluation	III-41
C5. Summary of Water Quality Study	III-43

C6. Instream Flow Study	III-47
C7. Water Storage.....	III-49
C8. Summary of Data Contained in Chehalis Basin GIS Project	III-55
D. Accessibility of Data for Citizens in the Chehalis Basin ...	III-57
E. Standardized Data Formatting	III-61
F. Data Gaps	III-63

Supplement Section IV. Issues Recommendation IV-1

A. Issue Paper Overview	IV-1
B. Issue Papers	IV-3
Water Quantity Core Issues	IV-3
Instream Flows	IV-21
Hydraulic Continuity	IV-39
Municipal Water Supply	IV-43
Exempt Wells	IV-53
Flooding in the Chehalis River Basin	IV-65
Water Quality Impairment.....	IV-85
Protection of Existing Areas with High Quality Waters	IV-91
Stormwater	IV-97
Total Maximum Daily Loads.....	IV-103
Habitat.....	IV-107
Management Framework	IV-119
Voluntary Agreements Between Local Governments	IV-123
Public Information	IV-127
Land Use.....	IV-131
Agriculture and Water Management	IV-139
Water Conservation/Use Efficiency	IV-155
Potential Economic Value of Recreation	IV-169
Environmental Education	IV-173
C. Recommendations	IV-179

Supplement Section V. Implementation V-1

A. Implementation Strategy	V-1
B. Funding	V-5
C. Measuring the Success of the Chehalis Basin Watershed Plan	V-9

Supplement Section VI. Approval Process VI-1

- A. SEPA Compliance and Watershed Planning VI-1
- B. Public Involvement VI-5
- C. Plan Approval Process VI-11

Supplement Section VII. Appendices VII-1

- A. Glossary of Terms; Acronyms and Measurement of Flow VII-1
- B. Intergovernmental Agreement VII-11
- C. Chehalis Basin Partnership Members VII-21
- D. Interim By-laws VII-25
- E. Chehalis Basin Partnership (CBP)
Watershed Planning Study Area Meetings VII-31
- F. Plan Links or Cross References VII-47
- G. Recommendations Matrix VII-49
- H. Level 2 Selection Table VII-67
- I. Useful Internet Sites VII-69
