Summer Kickoff Event!

The Centralia Stream Team is excited to announce our first boots on the ground China Creek clean-up event happening on **June 4th**. We will meet at 113 South Rock Street in the Centralia College parking lot at 10:00 A.M. From there, we will divide into groups and spend a few hours picking up trash along China Creek. In addition to the clean-up, we will be building relationships with other members of the community who are here to help with the environmental impacts of poor water quality. Following the clean-up event, there will be a Stream Team BBQ and Corn Hole toss for prizes hosted by Kim Ashmore and myself. We look forward to seeing you there!
